

RECIPROCAL MEMBER INFORMATION

We are delighted to welcome members from our network of reciprocal clubs to The Sloane Club.

At The Sloane Club, we believe that balance should be part of everyday life. Our Club is a destination designed for your whole self, a space to connect, recharge, and thrive. Our iconic building on Lower Sloane Street dates back to the 18th century and has recently undergone the most extensive refurbishment in its history. The transformation ushers in a new era for the Club, with thoughtfully designed spaces inspired by the Members who have come before.
